## Guadalupe Centers High School Athletic Fan Attendance Policy

We are excited to be moving forward with fall athletics at Guadalupe Centers High School. To ensure that we can continue to offer athletics for our students, our commitment to the health and safety of the participants and coaches must continue and expand as we work together to proceed with our athletic seasons. Public health information is rapidly evolving, and it is important to remember that these guidelines will be updated as needed as we work closely with local health officials, and our state activities association to prioritize health and safety. The following changes are effective starting 8/28/2020.

### Volleyball

At this time, no fans will be allowed to attend any of our home volleyball games. Fans may check with opposing schools to see what their current fan attendance policy is, but most schools that we play, if not all schools, have adopted a similar policy. The only people allowed into the event will be players, coaches, managers, officials, and any media personnel that are pre-authorized.

### Soccer

- All home games are closed to the public.
- Each athlete on the Guadalupe Centers Boys Soccer team will receive two tickets per home game to distribute to whomever they like. No spectators will be allowed into the facility without a ticket from one of the players. Visiting team will not receive tickets at this time.
- Mask are required to be worn over the nose and mouth by all participants at all times, without exception.
- Social distancing will be enforced.

If fans choose not to follow social distancing and mask expectations the following results may occur:

- Stoppage of play until guidelines are met with a possible forfeit result
- Removal from event and future events
- No spectators allowed at future events

Guadalupe Centers thanks you for your understanding and cooperation in making sure our athletic seasons continue in safe, fun manner for all participants.
