Meal Charges

All GCCS students are provided the opportunity to participate in and purchase meals at each school cafeteria in accordance with the National School Lunch/Breakfast Program. The following guidelines shall be followed when a student finds it necessary to charge their meal due to a lack of funds in their account.

Parents or guardians are solely responsible for providing their children with meals, either through money to purchase meals at school or by packing a meal from home. If, for any reason a parent or guardian cannot afford to provide a meal for their child, they can apply for Free or Reduced meal benefits at:

https://mocloud1.infinitecampus.org/campus/portal/parents/guadalupe.jsp

Charged Meals

1. A student may not accumulate more than five (5) unpaid meal charges.

2. On May 15 annually all charging will be cut off. Parents or guardians will be sent a written request for “payment in full”. Payments can be paid with cash to each respective school or may be charged in the online food services portal. All charges not paid before the end of the school year will be carried forward into the next school year. Graduating seniors must pay all charges in full. Failure to do so may result in the delinquent students being denied academic transcripts upon graduation.

3. Students may not charge a la carte items. Students are expected to pay for a la carte items prior to or at time of receipt.

4. A student with money in hand will not be denied a meal even if the student has past due charges. Cash may be used to purchase a meal or a la carte items.

5. Students will not be identified, singled out, shamed or punished by GCCS for the failure of their parents or guardians to pay for or provide meals, and GCCS will not withhold student records in violation of law.
**No Alternative Meals**

To avoid meal shamming, alternative meals will not be offered.

**Interventions**

GCCS will undertake the following interventions:

1. A Food Services representative of the SIS/Data Coordinator will provide administration a list of student charges on a weekly basis.

2. After a student accumulates five (5) unpaid meal charges, School Messenger will notify household of negative account balances not more than two times per week.

GCCS employees are mandated by the state of Missouri to report any instances of suspected abuse or neglect to the Children’s Division (CD) of the Department of Social Services. District personnel will report to the CD any instance where a student’s arrival at school with no provision for food leads to a reasonable cause to suspect neglect.

Additionally, the district will provide the following interventions via the principal:

1. Meet with the student to assess to the extent possible whether the student or the student’s family is experiencing hardships, barriers or other circumstances with which the principal or counselor could assist.

2. Make attempts to contact the parents or guardians to inquire about any assistance that might be needed to complete the free and reduced price meals application, discuss the situation and any other concerns the principal or counselor may have after meeting with the student, provide other resources as applicable and resolve the situation.

**Notifications to Parents or Guardians**

GCCS will provide timely notification via Infinite Campus to parents or guardians when account balances run low (when applicable) and when account balances include unpaid charges.

**Delinquent Debt**

Unpaid meal charges will be considered a delinquent debt 90 days after notice that charges are due when no payment or payment plan agreement has been made. Unpaid charges will be considered delinquent as long as GCCS determines the debt is collectible and efforts to collect the debt are ongoing. GCCS will make reasonable efforts to collect delinquent debt,
including turning over unpaid meal charge balances to a collection agency when the superintendent or designee determines such action is in the best interest of GCCS. GCCS’s Nonprofit School Food Services Account (NSFSA) funds may be used to cover the costs of reasonable efforts to collect delinquent debt, including costs associated with using a collection agency.

**End of Year Negative Balances**

By law, Nutrition Services is not allowed to pay for bad debt. Therefore, each school will pay for their student's outstanding meal charges at the end of each year. Parents will be required to re-pay the school when the following year enrollment is conducted.
