Dear Students and Parents,

Thank you for taking the time to read through the valuable information in our 2021-2022 Student-Parent Handbook. Together, we are going to make this a great year in Guadalupe Centers Schools. The main goal of the handbook is to provide general information and to ensure that you understand the expectations. Our code of conduct was carefully crafted to clarify how we expect students to behave when they are in our care. In my experience, children appreciate and rise to the occasion when adults provide clear expectations. The code of conduct also lays out the consequences if those expectations are not met. Our goal is to instruct and guide our young people so that they can learn how to become productive adults.

We have dozens of innovative programs and initiatives and we offer a remarkable array of services and supports. It can be overwhelming, but our staff is ready to help you navigate our school system and get the most out of your experience. Thank you for choosing Guadalupe Centers Schools. I consider it a privilege to lead this school system and help educate some of the greatest young people in the world!

Yours in education,

Joe Palmer
Superintendent of Schools

**Covid-19 Updates and E-Learning Hubs**
Guadalupe Centers Schools has been working diligently with different stakeholders to create a safe return to school plan for the 2021-2022 school year. The Safe Return to School Plan will be updated regularly as new recommendations from the CDC and local health departments is given to schools. The plan is designed to be fluid in nature so that we can change as the world around us evolves. We will work to update stakeholders with ongoing communication, and we will do our best to make the best possible decisions to support our students at Guadalupe Centers Schools.

Our current plan is to return to school in person 100%. If at any time we return to virtual learning, information related to teaching, learning, and other important information specific to your child’s school will be located on an E-Learning Hub website. Please see the links below:

- Elementary School E-Learning Hub- [https://sites.google.com/guadalupecenters.org/gces](https://sites.google.com/guadalupecenters.org/gces)
- Middle School E-Learning Hub- [https://sites.google.com/guadalupecenters.org/onlinelearning/home](https://sites.google.com/guadalupecenters.org/onlinelearning/home)

**Arrival and Leaving Early**
**Arrival:** Except in an emergency or if arrangements have been made in advance, no student may be on campus earlier than 30 minutes before the start of the school day.

**Leaving Early:** If a student must leave prior to the end of the day, the student will be counted absent for the time that is missed. A student who must leave will only be released to a parent/guardian that is listed in our system as an emergency contact. Identification is required when checking a student out of school. If a student is to be picked up by someone other than the custodial parent/guardian, the school must speak to the custodial parent/guardian or be provided a note from the custodial parent/guardian that specifies the date and name of the adult picking up the student prior to release. Students who must leave school during the school day must report to the front office to check out.

**Attendance Policy**
Guadalupe Centers Schools are committed to the philosophy that every student should attend every class, every period, every day. Daily attendance and promptness are expected in all classes and are essential for success in school. Once enrolled, a student will be considered a Guadalupe Centers Schools student until the school is directed to withdraw the student or until multiple unsuccessful attempts have been made to contact the parents/guardians to confirm continued enrollment after several absences. School staff will implement multiple interventions and encourage all families and students to consult with staff prior to withdrawing a student. The school may also make a referral for educational neglect to the Missouri Children’s Division or to the Jackson County prosecutor, in accordance with Missouri law.

For high school students, he/she will not receive credit for any courses where they have more than 6 unexcused absences in a semester or less than 90% total attendance. Parents have the right to request an appeal hearing which must be scheduled within two weeks of the student’s seventh unexcused absence or within two weeks from the time they fall below 90% attendance. Please make every effort to ensure your child is attending school and let your child’s school know if you are in need of assistance.
Notification of Absences:
We ask that parents call and notify the school before 9:00 AM if their student is going to be absent that day. A student is required to provide written documentation for all excused absences within 48 hours upon returning to school. Failure to bring written documentation within 48 hours will result in the absence being marked as unexcused.

Please schedule all regular doctor’s appointments before or after school hours. Students who have these types of appointments are expected to attend school at least half of the day. If they miss the entire day, half of the day will be considered unexcused.

Definitions:
• **Tardy** - arriving late to school or a class period.
• **Excused Absence** – Absences may be excused for one of the following reasons: illness, family emergency, death of a family member, doctor or dental appointments that cannot be scheduled before or after school hours, or a court appointment. These absences can be excused only if a written note from the legal guardian is received in the main office within 48 hours of the student’s return to school. A doctor’s note or other official documentation is required for an absence period of more than 3 consecutive days.
• **Unexcused Absence** – Absences for reasons that do not meet the requirement to be considered excused and/or absences that were not supported with the appropriate documentation from a parent.

**Behavior Intervention Support Team (BIST)**
The BIST model utilizes four steps so educators, parents, and mentors have the ability to know when and how to intervene. This structured support enables students to gain new skills and participate more fully in their homes, schools and communities. These steps create a consistent, supervised, safe environment in order to teach and protect all students.

1. Early Intervention
2. Caring Confrontation
3. Protective Planning
4. Outlasting

**Safe Seat:** A seat in the classroom away from other students to help the student regroup, process with the adult, and join the class.

**Buddy Room:** A seat in another teacher’s classroom to help a student regroup, complete a think sheet, and process with the adult so they may return to the classroom safe seat.

**Focus Room:** A place in the school where students can go to practice replacement skills, stop acting out, calm down, prepare an apology, and create a plan to make better choices for themselves.

**Think Sheet:** A tool that the student completes to help him/her take ownership of the problem, partner with adults, and create a plan to be successful.

**Processing:** Questions the adult asks the student so he/she may take ownership, practice skills, and create a plan to make better choices.

**Target Behavior Sheet:** A daily visual of goals the student is working on to help him/her problem solve.

**Triage:** Daily “check in” with an adult to practice replacement skills, assess emotions, establish focus about what it means to have a successful day, and formulate solutions if problems occur.
**Class Meeting:** Weekly meetings facilitated by the adult to help students solve problems, plan events and maintain a positive classroom community.

**Goals for Life:** Goals that we help students obtain so that they may have the life they want and deserve. Goals for Life are based on the following beliefs:
- I can make good choices even if I am mad.
- I can be okay even if others are not okay.
- I can do something even if I don’t want to (or even if it’s hard)

**Cell Phones**
Students are not permitted to use cell phones during class time unless approved by the teacher as part of the educational process. If use of a cell phone or other electronic device is not approved by the teacher and is disruptive to the educational process, they will take the cell phone or device and store it in the front office until a parent can come and pick it up. Guadalupe Centers Schools are not responsible for the loss or theft of cell phones or any other electronic devices.

**Change In Address/Telephone Number**
It is extremely important that we have a current address and phone number(s) for each student. This includes cell phone, home, and work numbers. **If this information changes during the school year we MUST be notified immediately.** Parents must also provide a minimum of 2 emergency contact numbers. All numbers provided need to be currently in service and be able to receive voicemail messages. In the rare instance when there may be an emergency, it is vital that we be able to contact you immediately. Home address and phone numbers are considered confidential and will not be given to persons requesting this information without your written permission.

**Deliveries to School**
Delivery of flowers, balloons or other gift items to school is discouraged due to student allergies, limited storage and disruption to the education environment. All items will be held in the office until the end of the day, or parents/guardians may be contacted to pick them up if deemed appropriate. These items will not be permitted to be transported on the school bus. Personal items needed during the school day must be dropped off by a parent/guardian, adult household member or person authorized by the parent/guardian. Deliveries of commercially prepared food by a parent or other individual are not permitted.

**Dress Code Policy**
This year, the schools will not be selling school uniform shirts with our school logo. Instead, families will be able to purchase shirts at a vendor of their choice (i.e. Walmart, Target, Amazon). Below you will find our each of our schools’ color options with examples of acceptable attire.
The school uniform consists of the following:

- **Polo Style Uniform Shirt with a Collar.** The shirt must be tucked in at the waist.
- **Pants, Shorts, or Skirts:** Students must wear tan/black pants, tan/black shorts, or a tan/black skirt. Skirts and shorts should be no shorter than two inches above the knee.
- **Socks & Shoes:** Students must wear socks and closed-toed shoes that can be used during PE/recess.

**Dress Code Policy Violations:**
When in judgment of the principal or designee, a student’s appearance or mode of is otherwise materially and substantially disruptive to the educational environment, the student may be required to make modifications. Student dress should be in good taste. Dress that is detrimental or disruptive to the educational or working environment is not permissible.

For example:
- Shoes must be worn in the building.
- Hats, bandanas, non-prescription sunglasses and other headgear are not to be worn in the building at any time or carried during school hours.
- Clothing and accessories that refer to sexual connotations or products dealing with alcohol, tobacco and drugs will not be permitted.
- Clothing with words, images or other content that violate the district’s harassment or other policies, or that are otherwise disruptive or detrimental to the education process or working environment, is not permitted.
- Heavy or lengthy chains are not to be worn at any time.
- Clothing that exposes a bare midriff or back or is otherwise too revealing is not permitted.
- Halter-tops, tube tops, spaghetti strap tops or any clothing that exposes a bare midriff, shoulder or back, or is otherwise revealing, are not permitted.
- Disruptive or offensive costumes and costume masks are not permitted.
- Hoodies, pullovers, or any clothing that covers the school uniform shirt or where the collar of the uniform shirt cannot be clearly seen are not permitted.

Dress code violations that cannot be corrected immediately will require parents to bring a uniform to school. These situations will be reviewed on a case by case basis. Multiple violations may result in further disciplinary action including a required meeting with administration. If uniform assistance is needed, please contact your building family liaison.

**Emergency Operations Plan**
Guadalupe Centers School’s Board of Directors, administration, and staff are committed to providing the safest environment possible for our students and families. We have prepared an Emergency Operations Plan (EOP) to provide a framework in which each school can plan for and perform its respective emergency functions during school crisis situations. The EOP includes procedures, information, and drills such as fire, tornado, intruder drills that are conducted regularly to ensure school safety. An Emergency Response Team has been identified in each building and emergency folders are also posted in every classroom. In the event that we would need to evacuate the schools, an offsite location has been designated for each school and when needed, a family reunification plan will be implemented. Parents
and guardians will be notified through texts, social media and other forms of communication. Copies of the Emergency Operations Plan will be kept at each school building and in the district office.

**Federal Programs Complaint Resolution Procedures**
The Elementary and Secondary Education Act requires certain notifications to parents and guardians when school districts receive federal funds. School districts must annually disseminate federal programs complaint resolution procedures to parents and guardians of students and appropriate private school officials or representatives. The Every Student Succeeds Act of 2015 (ESSA) complaint procedures can be found at [https://dese.mo.gov/media/pdf/essa-complaint-procedures](https://dese.mo.gov/media/pdf/essa-complaint-procedures).

**Fundraising Activities**
All school fundraising must be approved by building and district administration using the district fundraising approval form. Fundraising must have a designated purpose prior to the beginning of sales. The projects must be planned and carried out in cooperation with building administration.

**Health Services**
The purpose of the Guadalupe Centers Schools student health services program is to help each student attend school in optimum health and benefit from the school experience. Health rooms in each building are staffed or supervised by registered nurses. All student health services employees serve under the direction of the building principal and director of student services. All parent/guardian contacts regarding significant student health issues will be made by a nurse building principal’s designee.

For additional information about practice and procedure related to COVID-19, please contact your child’s school or see the district’s safe return to school plan related to COVID-19 posted on the website.

**Health Condition(s) Information**
The following guidelines should be followed concerning any students with special health conditions/concerns:
- Health information should be provided by parent/guardian at time of online enrollment and updated annually.
- Parent/guardian should notify the school nurse or principal of any health concern that could require emergency services, interfere with the student’s education process or require interventions throughout the school day.
- Students requiring medical accommodations throughout the school day (including, but not limited to, physical education, dietary conditions, physical limitations and medical interventions) must submit a statement from their licensed medical provider stating the need for such accommodations each school year. It is strongly encouraged that parents/guardians follow a pattern of having regular medical and dental screenings for their child.
- Guadalupe Centers Schools maintain epinephrine auto-injectors to be administered when a student is having a life-threatening anaphylactic reaction and asthma-related rescue medication to be used in the event of an emergency. Parents/guardians must indicate in writing to the school nurse if their student cannot receive such medications.

**Immunizations**
Our schools follow the immunization requirements set forth by the Missouri Department of Health and Senior Services and the Missouri Department of Elementary and Secondary Education. Immunizations must be up to date with state requirements prior to the first day of school or the students will not be able to attend school until they are in compliance. Parents must provide either a Medical or Religious Exemption Form if a student cannot receive the state-required immunizations. Exemption forms can be obtained from your child’s doctor and/or at your local health department.
General Directives for Illness and Injury

Students should notify any available staff member of illness or injury. Staff members will promptly assess the student or seek assistance from the nurse and send the student to the health room.

Minor Student Illnesses or Injuries
1. If the illness or injury is minor, the school nurse or designee will administer first aid care to the student. It may be appropriate to retain the student in school for the remainder of the day; however, in the interest of school-parent/guardian relations, the principal, nurse or other designee may contact the parents/guardians to inform them of the situation. If a parent/guardian cannot be reached, the principal, nurse or other designee will use the alternate contacts provided on the emergency form.
2. If a student requires non-emergency medical attention, the principal, nurse or other designee will notify the parents/guardians, who will be responsible for transporting the student.

Serious Student Illnesses or Injuries
1. If an illness or injury is serious enough to require immediate emergency care, any district employee aware of the situation will contact emergency medical services (EMS) and notify the nurse and building principal. The cost of EMS will be the responsibility of the parent/guardian.
2. The principal, nurse or other designee should be prepared to give rescue officials the individual's emergency information form.
3. The principal, nurse or other designee will ascertain the destination or hospital to which the individual is taken.
4. The principal, nurse or other designee will contact the parents/guardians or other appropriate parties.

A student should not be in attendance and will be sent home with any of the following:
- Temperature 100.4 degrees or greater or vomiting and/or diarrhea. Student may return to school when free of above symptom(s) for 24 hours without any fever-reducing medication or other medication to relieve symptom(s).
- Symptoms related to possible communicable diseases:
  - Suspicious skin rashes
  - Suspicious open wounds
  - Redness of eyes with intense itching/burning and thick drainage
  - Painful, reddened sore throat accompanied by enlarged lymph nodes
  - Constant cough accompanied by other symptoms
- Excessive drainage from ears, persistent earache, or ears that show symptoms when assessed with an otoscope
- Symptoms of an acute illness/injury making it difficult for student to fully participate in learning:
  - Exhaustion (can’t stay awake in class),
  - Pain that is difficult to control in the school environment,
  - Limited mobility related to an injury that has not been evaluated by a physician.
- Students with live head lice

Nurses assess students’ symptoms and make the decision whether a student needs to be sent home based on current symptoms and the history of the student’s situation. Students excluded from school for health reasons may return when symptoms have subsided for an appropriate amount of time. Any questions regarding when to return to school should be discussed with the school nurse. A physician’s note may be required for return in some cases of illness or injury. Students returning to school after injury or surgery, and who are thereby temporarily incapacitated (e.g. crutches, casts or slings), should present a physician release to return to school along with a statement of any modifications or accommodations that need to be made.
Head Lice Procedures
Guadalupe Centers health services staff shall pursue the prevention and control of head lice in the district by developing a consistent screening and follow-up program for students identified with head lice. To support such a program, the following will be implemented:

1. The school nurse or designee will screen any student that reports an active case of head lice, is symptomatic (irritation or continuous itching of the scalp) or any student who requests to be screened for lice.
2. If the school nurse or designee should identify a student with an active case of head lice (which is defined as live lice). The parent/guardian will be notified that the student has live lice and cannot return until treatment has been started and the student no longer has live lice present.
3. All siblings of the affected student will also be screened, including siblings at other buildings within the district. The school nurse or designee will discuss the need for notification of parents/guardians of other close contacts to be made by the affected student's parent/guardian.
4. The school nurse or designee will instruct the parent/guardian concerning pediculicides that can be purchased for treatment. If the parent needs assistance with purchasing treatment products, the parent will be referred to a counselor or social worker. Parents/guardians will be given written information for head lice prevention, treatment, and eradication. Parents/guardians will be strongly encouraged to begin immediate treatment so the student can be readmitted to school as soon as possible to prevent excessive absences.
5. To be readmitted to school, students in grades Prek-5th must be accompanied into the school by a parent/guardian or relative and must be examined by the school nurse or designee. The student will be readmitted if there are no live lice and there is visible progress that treatment has been initiated.
6. Within 6-10 days after being readmitted to school, the student will be screened again by the school nurse or designee. If there is live lice, the parent/guardian will be notified and the student will be removed from school.
7. Classroom screening (spot checks) will be done if there are multiple cases of live lice within the same classroom.
8. The decision to send home communication to parents/guardians regarding head lice in a specific classroom will be dependent on the number of students with live lice.
9. If it appears the parent/guardian of an infested student is failing to secure timely treatment for the infestation after having been given notice of the existence of head lice or nits in accordance with these procedures, the nurse will notify the school principal, who may report the matter to the Children's Division (CD) of the Department of Social Services.

Wellness Policy
Guadalupe Centers Schools addresses all areas of wellness and nutrition within the school district and establishes guidelines in accordance with the U.S. Department of Agriculture’s Nutrition Standards and Smart Snacks in Schools. Parents are encouraged to become familiar with the wellness policy and check with school personnel prior to purchasing birthday treats or snacks for distribution to students other than their own child. More information about the Guadalupe Centers Schools Wellness Policy 2750 can be found on p. 54 http://guadalupecenters.org/wp-content/uploads/2019/10/2000-Series.pdf

Administering Medication To Students
The school is not obligated to supply or administer any medication to students and encourages prescribers to write prescriptions for medications to be given outside of school hours whenever possible. Nurses must use reasonable and prudent judgment to determine whether or not to administer particular medications at school while working in collaboration with parent(s)/guardian(s) and school administration. The school reserves the right to refuse to administer certain types of medication, at the discretion of the school nurse or other employee authorized by the Superintendent or when such administration could
prove harmful to staff or students without proper training. To protect the health and safety of students, the nurse will clarify, when necessary, any medication order. The district will not administer the first dose of any medication. The school nurse will not, without clarification from the prescriber, administer any medication if the dosage exceeds the recommendations of the manufacturer.

**Prescription Medication**

A *Medication Authorization Form* must also be completed by a parent or guardian and turned in giving school staff permission to give the medication to the student during school hours. This must be renewed *annually* during the first two weeks of school. The parent or guardian must supply all prescription medication in a pharmacy-labeled container with the doses to be given at school and with any needed measuring devices. A second properly labeled bottle for school use can be requested from your pharmacist.

**Over-The-Counter (OTC) Medication**

Over-the-counter medications will only be given as indicated on the medication's manufacturer label and parents must provide any needed measuring device. OTCs must be maintained in the original container, the appropriate approval form for medication must have been completed and signed by the parent or guardian for each medication, and the school nurse or delegated personal will keep record medication taken by the student. The nurse can delegate OTC medication administration if a permission form is on file.

**Special Conditions:**

**Asthma:** Parents must provide the school with an unexpired rescue inhaler, spacer (if needed), and current Asthma Action Plan. A second rescue inhaler for school use and an updated Asthma Action Plan can be requested from your child's doctor.

**Anaphylaxis/Allergies:** Parents must provide the school documentation stating the type of life-threatening allergy the student has, the appropriate rescue medication (EpiPen, EpiPen Jr, or an equivalent, Benadryl, etc.) to be administered, and an Emergency/Anaphylaxis Action Plan. A Medication Authorization Form must be completed and turned into the school for each medication. This must be renewed *annually* during the first two weeks of school. A second rescue medication and an updated Emergency/Anaphylaxis Action Plan can be requested from your child's doctor.

**Homebound Instruction**

A program of homebound instruction will be made available to all Guadalupe Center School students who are unable to attend school because of medical/psychological problems. Inability to attend school must be verified by a licensed physician's report, and such a program will be made available in a manner consistent with the rules and regulations of DESE, which governs such a program. Applications for homebound instruction can be made with the director of special services.

**Homeless, Migrant, And English Learners**

The district is committed to providing equal access for all eligible homeless, migrant and English Learners to a free and appropriate education in the same manner as is provided to other district students. Students whose primary language is not English may require specialized instruction. Guadalupe Centers Schools offers a program to teach the English language that includes listening, reading, writing and speaking. For more information on English Learner (EL) program services, please contact your child’s school. Parents of all new students enrolling in Guadalupe Centers Schools must complete the home language survey during online registration.

- If a language other than English is indicated on the form, the student(s) will be administered an assessment to determine possible placement into the program.
• Interpreters are available to assist with communication between school personnel and family. If you have questions or need further information, please contact your school.

**Internet Safety Policy And Technology Agreement**

Students will receive instruction on the proper and acceptable use of technology while at school and at home. Each student will be held accountable for failing to adhere to the technology policy requirements.

Staff will monitor student use of school technology. Pursuant to State and Federal law, Guadalupe Centers has access to all communications sent, received or stored by any student using the school’s technology resources, and may monitor student online activity that takes place utilizing school equipment or internet network. The school will make its best effort to block/filter student access to inappropriate Internet materials, without intentionally restricting students’ access rights to controversial and educational materials under the First Amendment.

Guadalupe Centers Schools retains the right to restrict or extinguish students’ access and use of school technology if it is determined the student has not abided by the school’s technology use policies. A student’s parent/guardian will be held responsible for any damage or unauthorized costs that arise from a student’s inappropriate use of school equipment or other technology resources.

Parents and students will be required to accept responsibility for the student’s laptop or iPad through the Technology Agreement. This agreement outlines the care, handling and expectations for student use of district devices, annual fee, and includes an acknowledgment that students will be responsible for the loss or damages to the device.

**Missouri Course Access Program (MOCAP)**

In 2018, Senate Bill 603 was passed establishing the Missouri Course Access and Virtual School Program (MOCAP). MOCAP is intended to provide access to online courses for all Missouri K-12 students needing flexible academic programming through online coursework.

Online instruction can be an effective education option for some students. Eligible students may request to enroll in online instruction offered through MOCAP during the regular enrollment window. The Guadalupe Centers Charter Schools’ process is outlined below.

1. Parent/Guardian/Student contacts building counselor to indicate interest in online courses through MOCAP.
2. School provided information and request form. Parent fills out request form and returns to counselor.
3. School team reviews and makes “best educational interest” determination.
4. Request denied for “good cause” or is approved and the process of enrollment begins through the appropriate online provider.

For more information, please contact your child’s school and you can also go to the following website [https://mocap.mo.gov/](https://mocap.mo.gov/).

**Notice Of Non-Discrimination**

**Parent Contact With Students During School Hours**
If a student forgets a permission slip, book, homework, or other items necessary for their day, parents may bring those items to the office but call in advance and follow Covid-19 safety procedures. Parents that need to reach a student during the day must call the office and leave a message. School personnel will then deliver the message to the student. Please do not try to call or text your child directly on their cell phone as this may interrupt the learning in the class and goes against our cell phone policy.

**Parent Involvement Policy**
The Board recognizes the positive effects of parents/families’ involvement in the education of their children. The Board is committed to strong parent/family involvement in working collaboratively with district staff as knowledgeable partners in educating district students. In order to implement the Board’s commitment to parent/family involvement in education, the Superintendent will appoint a committee of parents, staff and community representatives to serve as the School's Parent Involvement Committee. The Committee’s responsibilities will include recommendations for program development, parent/staff training and program evaluation. The evaluation will include identifying barriers by parents who are economically disadvantaged, have disabilities, have limited English proficiency, have limited literacy, are migrants or are of any racial or ethnic background. The district will use the findings of such evaluation to design strategies for more effective parental involvement and to revise, if necessary, the parental involvement policies. Program evaluation reports will be prepared and submitted to the Superintendent annually.

**Parent’s Right-To-Know**
Under federal law (ESSA), parents and guardians may request information regarding the professional qualifications of their students' classroom teachers and paraprofessionals. Please contact Guadalupe Centers Schools human resources department to request this information. You have a right to request the following:

**Student Code Of Conduct (Board Policies Section 2600)**

While there are many factors which affect the learning environment, most problems result from inappropriate behavior. The following explanation of the discipline system has been designed to inform parents and students about school policies, procedures and expectations. It must be recognized by schools and home alike that the conduct of the student in school is ultimately the responsibility of the parent.

**Scope of Authority**

The provisions of the Student Code of Conduct apply in all situations in which students are involved including:

1. Activities on school property;
2. Travel on school buses, or in any vehicle when that vehicle is used to transport students for the
school;
3. Off-site school sponsored activities;
4. While walking to or from school, waiting for school-provided transportation or waiting for or riding on public transportation to and from school, if the student’s conduct is the result or cause of disruptive behavior on school grounds; and
5. Off-campus misconduct that is not school-related and adversely affects the educational climate will also be subject to school-related disciplinary consequences. In addition, the district will seek restitution in all instances where district property is damaged, destroyed or stolen.
6. Acts or behavior, which occurs on any social media site and poses a threat to the safety of students and faculty or disrupts the learning environment.

Discipline infractions occurring at the end of the school year may result in disciplinary actions and/or consequences being administered at the beginning of the next school year.

The Role of Parents and Students
In uniformly implementing the Student Code of Conduct, the School Board believes that the students and their parents must play key roles:

▪ Follow the rules and regulations established by the school, the classroom teacher, and the Discipline Plan.

Student’s Responsibility for Items in Their Possession
Students are responsible for any contraband found in their possession. Contraband is defined as drugs,
weapons, alcohol, and/or other materials deemed illegal or unauthorized under Missouri and federal law, School Board policy, or the student code of conduct. Items are deemed to be within a student’s possession if the items are found in any of the following places: student’s clothing (e.g., pockets, jackets, shoes, socks, etc.), purse/book bag, desk, locker and/or student’s automobile located on school property. It is each student’s responsibility to check his/her personal belongings for possible contraband before entering onto school property, on any school bus going to or returning from school, in any vehicle when that vehicle is used to transport students for the school, and during school-sponsored activities.

Notice Provisions, Requirements, and Definitions Under the Missouri Safe Schools Act
The provisions of the Missouri Safe Schools Act will be followed by all relevant school personnel. Alta Vista reserves the right to suspend or expel a student who causes the school to be a target of violence or to be unsafe because of their presence at the school.

These activities include recruiting students for membership in any gang and threatening or intimidating other students or school personnel to commit acts or omissions against his/her will in furtherance of the common purpose and design of any gang. For purpose of district policy, the term “gang” shall be defined as any ongoing organization, association or group of three (3) or more persons, whether formal or informal, having as one of its primary activities the commission of a criminal act, which has a common name or common identifying sign or symbol, whose members individually or collectively engage in or have engaged in a pattern of gang activity.
- **Possession/Use of a Firearm** - Possession and/or use of a firearm or gun of any kind that can be used to injure someone or place someone in fear or apprehension of bodily harm. As defined by the Gun Free Schools Act, a “firearm” shall mean:

---

**Student Conduct At School And On Buses (Policy 2610)**

The safety of students at school and their transportation to and from school is a responsibility which they and their parents/guardians share with school officials and bus drivers. A student’s failure to obey these rules puts the bus driver, students and the public at risk of danger and will not be tolerated. If repeated verbal and written warnings, suspensions and other remedies by the bus driver and school officials have no effect on the student’s behavior, students are subject to long-term loss of riding privileges.

In addition to losing school bus riding privileges, students may receive consequences as provided for in other sections of the Code of Student Conduct. During any period in which the transportation privilege is lost due to misconduct of the student, transportation to and from school becomes the sole responsibility of the parents/guardians.

Students are not permitted to get off at other bus stops other than the stop that has been assigned to them unless a written request has been submitted and approved by a school administrator at least two days prior.

**Note:** Guadalupe Centers will seek restitution from parents/guardians when school buses are damaged by their child’s behavior.
**Elementary Students Who are Returned from the Bus**

Any student in grades K-5 whose parents/guardians are not at the place of residence to receive their student from the bus will be put back on the bus and ride through the middle school and high school routes. Because the middle and high school routes occur immediately after the elementary routes, there is no time to bring undeliverable students back to the elementary school until after the middle and high school routes are completed. If this occurs more than three times, the student will be suspended from the bus indefinitely.

Any student who is brought back to the school due to being undeliverable will be placed in after-care and the parents will be charged a fee.

**Fees:**
1st Time: $5.00  
2nd Time: $10.00  
More than 2 times: $15.00

**Enforcement (Policy 2620)**

School administrators are responsible for enforcing the policies contained herein and in the handbook for each school.

Teachers have the authority and responsibility to make and enforce necessary rules for internal governance in the classroom, subject to review by the school principal. The Board expects each teacher to maintain a satisfactory standard of conduct in the classroom. All Guadalupe Centers Schools staff are required to enforce policies, and procedures in a manner that is fair and developmentally appropriate and that considers the student and the individual circumstances involved.

All staff shall annually receive instruction related to the specific contents of this discipline policy and any interpretations necessary to implement the provisions of the policy in the course of their duties including, but not limited to, approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

**Investigation Process (Policy 2630)**

When a violation of school rules is reported or suspected, the principal will determine whether an investigation is warranted and, if so, will instruct appropriate personnel to conduct an investigation. The investigation should include interviews with the alleged perpetrator(s), victim(s), identified witnesses, teacher(s), staff members and other who might have relevant information. Written statements should be obtained from all individuals who are interviewed. Video surveillance, if available, should be reviewed and secured. Any other physical or documentary evidence should be collected and preserved. School counselors, school social workers, school police and other support staff should be utilized for their expertise as determined by the circumstances of the matter. At an appropriate time during or after the investigation, the parent or guardian will be notified. However, if the incident involves an injury or similar situation, appropriate medical attention should be provided and the parent or guardian should be notified immediately.

**Appeal Process (Policy 2640)**

**Long-term suspension:** A student suspended (long-term) has the right to appeal his/her suspension. A request for appeal shall be made in writing and hand-delivered to the office of the superintendent (5123 E. Truman Rd, KCMo. 64127) within 5 school days from the date the suspension was issued and shall state with particularity the event(s) leading to the suspension and the reasons why the student should not be suspended. The failure to request an appeal within 5 school days from the date of suspension shall result in a waiver of the right to appeal the suspension. If the parent gives notice that he/she wishes to
appeal the long-term suspension to the school board, the suspension shall be stayed until the school board renders its decision unless the superintendent determines that the student’s presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, in which case the student may be immediately removed from school. In the event of an appeal, the superintendent shall promptly transmit to the School Board a fully written report of the facts relating to the long-term suspension, the action taken by the superintendent and the reasons, therefore.

A hearing before the board shall be held at the regularly scheduled board meeting or within 15 school days from receipt of the appeal by the student or his/her parent or guardian. The student may bring witnesses on his/her behalf. The board will deliberate upon conclusion of the hearing and return a decision no later than 24 from the date of the hearing.

**Expulsion:** Upon receipt of the superintendent’s recommendation for expulsion of a student, the board shall notify the student and parent/guardian of the superintendent’s recommendation and the date for an expulsion hearing. The board shall send a notice of hearing in writing within 3 school days of receipt of the superintendent’s recommendation, notifying the student and parent/guardian of the date of hearing and advising them of the student’s right to bring witnesses and present evidence. A hearing before the board shall be held at the regularly scheduled board meeting or within 15 school days from the date the superintendent’s recommendation was received.

**Disciplinary Methods (Policy 2650)**

**Detention:** After notice to the parent/guardian and approval from a building administrator, a student may be temporarily detained beyond the length of the regular school day or during regularly scheduled recesses or breaks. Failure to serve a detention will result in further disciplinary action, which may include an in-school or out of school suspension.

**In-School Suspension:** Is the removal of a student from regular classes and the assignment to an in-school suspension setting within the school. The student’s teachers shall send class assignments to in-school suspended students.

**Exception to attend special classes:** A teacher may request that a student who has been assigned to in-school suspension be allowed to attend class (such as lab classes). The granting of this request is limited to cases where it is extremely important that a class not be missed or where a class cannot be made up at a later date. The principal has the final decision.

**Alternative to in-school suspensions:** For minor offenses, in lieu of in-school suspension, a student may be denied loss of privileges (i.e. recess, hallway passing with classmates, re-assigned seating), or a student may be given the option of school service (i.e., picking up trash on the school grounds, cleaning lunchroom tables, etc.), provided the school service is age-appropriate, supervised and does not include restroom duties.

**Short-term Out of School suspension:** Is the removal of a student from school (or school bus) for one to ten school days. The principal may impose an out-of-school suspension of up to 10 school days. Schoolwork missed during 1-3 day suspensions may be made up when the student returns to school. For suspensions of 4-10 school days, parents/guardians may request and pick up the schoolwork during school hours.

*Note: By law, parents/guardians and students do not have the right to appeal short-term suspensions.*

**Long-term Out of School Suspension:** Is the removal of a student from school (or school bus) for 11 to 175 school days. The length of time is imposed by the superintendent or his/her administrative
designee. Students shall not be allowed to participate in extracurricular activities, attend any school function, or be on any Guadalupe Centers Schools property during the length of the suspension.

If a student’s suspension occurs during a critical time in the academic calendar, the principal may allow for an accommodation to be made to allow the student to take final exams or other testing. However, this exception will not apply to students suspended for offenses that are violations of state or federal law or that involve weapons, violence or drugs.

**Note:** The board may suspend a student upon finding that the student has been charged, convicted or pled guilty in a court of general jurisdiction for the commission of a felony criminal violation of state or federal law, after notice to parent/guardian and a hearing upon the matter. §167.161.2 RSMo.

**Expulsion:** The exclusion from school for a period exceeding one hundred and seventy-five (175) school days. Only the board may impose an expulsion. The superintendent shall immediately notify the board in writing of his/her recommendation for expulsion of a student. The board authorizes the immediate removal of a student upon a finding by the superintendent that the student poses a threat of harm to himself/herself or others.

**Note:** The removal of any student with a disability is subject to state and federal procedural rights. §167.161.1 RSMo. See also, Policy 2672.

**Behavior Contracts:** A contract between student, parent, and the school that is used with students who are continually exhibiting behaviors that disrupt the school learning environment and the smooth operation of the school, often times causing themselves and others difficulty in school. The behavior contract will clearly outline the expectations of the student, school and parents, as well as defining the consequences associated with noncompliance of the contract. New students enrolling at Guadalupe Centers Schools who have shown a pattern of disruptive behavior at their previous school as documented on their discipline records may also be placed on a behavior contract.

**Referral to Alternative Education Program:** Students who are long term suspended or who violate a behavior contract may be referred to an Alternative Education Program. The Alternative Education Program is located offsite and parents/guardians are responsible for transportation. A reinstatement hearing must be conducted prior to the student returning to Guadalupe Centers Schools as a full-time student.

**Note:** All discipline incidents will be documented and tracked in the school’s Student Information System and a written copy of the referral will be kept.

**Procedures for Suspensions And Expulsions Of Regular Education Students**

**I. Short-Term Suspension (10 School Days or Less)**
The principals or his designees, subject to the appropriate due process procedures and state statutes, may summarily suspend any student for up to ten (10) school days for violation of the Code of Student Conduct.

**Note:** By law, parents/guardians and students do not have the right to appeal short term suspensions.

Prior to imposing the suspension, the principal or his/her designee must follow the following procedures:
1. Determine whether or not the student is a special needs student. The student is a special needs student if any of the following are present:
   - student has an IEP (see IV, Section A.);
   - student has a Section 504 Plan or request (see IV, Section B.);
● student is in the process of being evaluated for a disability; or
● student has not yet been identified as having a disability (see IV, Section C.).

If the student is not a special needs student, the principal or his/her designee should proceed as discussed below. Refer to procedures for the suspension and expulsion of special needs students.

2. Inform the student, verbally or in writing, of the charges against him/her and give him/her the opportunity to admit or deny the allegations.
3. If the student denies the charges, he/she must be given an explanation of the facts as known to school personnel and an opportunity to present his/her version of the incident before any consequences are imposed.
4. If he/she deems it necessary, the principal or his/her designee may conduct a further investigation into the matter before imposing a disciplinary suspension.

For purposes of this Policy, the principal may designate a vice-principal to act on the principal’s behalf, subject to the principal’s supervision. In some cases, the principal or vice-principal may choose to shorten the length of suspension after a parent conference or if another satisfactory solution to the problem is agreed upon.

Emergency Suspension
Any student who poses a continuing danger to persons or property or is an ongoing threat of disruption may be removed from school immediately. The notice of charges, explanation of facts and a student's opportunity to present his/her version of the facts shall be provided as soon as practicable thereafter. The principal or his/her designee authorizing the emergency suspension shall make reasonable efforts to inform a parent/guardian of the student as soon as possible thereafter. A student subjected to emergency suspension shall not be removed from school until adequate provisions have been made for the student’s transportation and safety.

II. Long-term Suspensions (11-175 School Days)
The superintendent may suspend students from school for a period of eleven (11) to one hundred seventy-five (175) days after the student and his/her parents/guardians have been afforded a disciplinary conference. The superintendent shall promulgate regulations setting out procedures for the disciplinary conference. For purposes of this policy, the superintendent may designate the Student Discipline Officer to act on the superintendent’s behalf, subject to the superintendent’s supervision.

During the conference, the student is subject to the following Due Process safeguards.
1. The student shall be given oral or written notice of the charges against him/her.
2. If the student denies the charges, he/she shall be given an oral or written explanation of the facts which form the basis for the proposed suspension.
3. The student shall be given an opportunity to present his/her version of the incident before any consequences are imposed. A student has the right to bring forward witnesses on his/her behalf.
4. Prompt notification will be given to the student’s parents/guardians of the administrator’s actions, the reasons for such action and the right to a hearing before the School Board. This notice shall be provided at the conclusion of the hearing or made by certified mail, addressed to the student’s parents/guardians at their last address shown in school records.

II. Expulsions
The School Board is the only governing body within the district which may expel a student for conduct which is prejudicial to good order and discipline in the schools or which tends to impair the morale and good conduct of the students. Prior to expelling a student, the parent and/or guardian must be given notice and a hearing before the school board. The parent/guardian, or student if eighteen years or older,
may waive the expulsion hearing. If not waived, the hearing will be held on the date set by the Board. The Board will make a good faith effort to notify parents/guardians of the time, date and place of the hearing.

In all school board hearings for expulsions and/or appeals of long-term suspensions, the following procedures will be adhered to:

1. The parents/guardians will be notified in writing of:
   - The charges against the student;
   - Their right to a school board hearing;
   - The date, time and place of the hearing;
   - Their right to counsel; and
   - Their procedural rights to call witnesses, enter exhibits and cross-examine adverse witnesses. All such notifications will be addressed to the student’s parent/guardian and mailed by certified mail and regular mail to the student’s parent/guardian at the last address shown on student records.

2. Prior to the school board hearing, the student and the student’s parents/guardians will be advised of the identity of the witnesses to be called by the administration and advised of the nature of their testimony. In addition, the student and student’s parent/guardian will be provided with copies of the documents to be introduced at the hearing by school administration.

3. The hearing will be closed unless specified by the School Board. The hearing will only be open with parental consent. At the hearing, the administration or counsel for the administration will present the charges, testimony and evidence to support such charges. The student, his/her parents/guardians or their counsel shall have the right to present witnesses, introduce exhibits, and to cross-examine witnesses called in support of the charges.

4. At the conclusion of the hearing, the School Board shall deliberate in Executive Session and shall render a decision to dismiss the charges, suspend the student for a specified period of time or expel the student from the district’s schools. The administration or its counsel, by director of the School Board, shall promptly prepare and transmit to the parents/guardians written notice of the decision. Written notice of the decision will also be submitted to the principal and superintendent.

**Procedures for Suspension And Expulsion Of Special Needs Students**

Students with special needs, as defined by federal and state laws and regulations, shall be subject to the provisions of this Code of Student Conduct, except as otherwise provided by this section. The student’s parent/guardian and Special Needs Education staff shall be involved in all administrative decisions under this Code of Student Conduct involving students with special needs.

**Due Process**

Due process procedures applicable to removal, suspension or expulsion of students from public schools under state law shall be afforded to qualified students in accordance with School Board policy on Student Suspension and Expulsion.

**Authority of School Personnel**

School personnel may consider any unique circumstances on a case by case basis when determining whether a change of placement, consistent with other requirements of this section, is appropriate for a child with a disability who violates the Code of Student Conduct.

**I. Short-Term Suspension (10 School Days or Less)**

A school may remove a child with a disability who violates the Code of Student Conduct from their current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than ten (10) school days in the same school year (to the extent such alternatives are applied to children without disabilities) without providing services. Once a child has been removed from his or her
placement for a total in excess of ten (10) school days in the same school year, this agency must, during any subsequent days of removal in that school year, determine what special education services will be provided to the student.

II. Long-Term Suspension
If a school seeks to give a child with a disability an out-of-school suspension that totals more than ten (10) school days in one (1) school year and the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the child’s disability, the relevant disciplinary procedures applicable to children without disabilities may be applied to the child in the same manner and for the same duration that the procedures would be applied to children without disabilities except services must be provided to ensure the child receives a free, appropriate, public education, although it may be provided in an interim alternative educational setting.

Change of Placement
A removal of a child with a disability from the child’s current educational placement is a significant change of placement if:

The proposed exclusion of a student is permanent (expulsion), for an indefinite period, for more than 10 consecutive school days or a series of suspensions that cumulatively amount to more than 10 days that creates a pattern of exclusions under the Individual Disabilities Education Act.

The determination of whether a series of suspension creates a pattern is made on a case-by-case basis. Among the factors considered in determining whether a series of suspension has resulted in a “significant change in placement” are the length of each suspension, the proximity of the suspensions to one another, the total amount of time the student is excluded from school, and the similarity of the misconduct. In no case, however, may serial, short-term exclusions be used to avoid the requirements of re-evaluation before cumulative suspensions of more than 10 days. The District’s determination of whether a pattern of misconduct has occurred is subject to review through due process and judicial proceedings. Suspensions that, in the aggregate, are for 10 days or fewer are not considered to be a significant change in placement.

Services
The special education services that must be provided to a child with a disability who has been removed from the child’s current placement may be provided in an interim alternative educational setting.

If a child with a disability is removed from the child’s current placement for more than ten (10) school days in one school year, then the child’s IEP team will determine if special educational services will be offered during the child’s removal from school and where those services will be delivered.

Manifestation
Within ten (10) school days of any decision to change the placement of a child with a disability because of a violation of a Code of Student Conduct, the school, the parent/guardian and relevant members of the IEP team (as determined by the parent/guardian and the school) shall review all relevant information in the student’s file, including the child’s IEP, any teacher observations and any relevant information provided by the parents to determine if the conduct in question was caused by or had a direct and substantial relationship to the child’s disability or if the conduct in question was the direct result of this agency’s failure to implement the IEP.

If the school, the parent/guardian and relevant members of the IEP team determine that either the conduct in question was caused by or had a direct and substantial relationship to the child’s disability or
if the conduct in question was the direct result of the school’s failure to implement the IEP applicable for the child, the conduct shall be determined to be a manifestation of the child’s disability.

**Determination that Behavior Was a Manifestation**

If the conduct was a manifestation of the child’s disability, and the school has not conducted a functional behavioral assessment, the IEP team shall conduct a functional behavioral assessment, and implement a behavioral intervention plan for such child. If the child already had a behavioral intervention plan when the conduct occurred, the IEP team must review the plan and, if necessary, modify it to address the behavior.

If the behavior was a manifestation of the child’s disability, unless the removal is due to weapons, drugs, or serious bodily injury, the child must be returned to the placement from which the child was removed. The parent and the school, however, may agree to a change of placement as part of the modification of the behavioral intervention plan.

**Special Circumstances**

Whether or not the behavior was a manifestation of the child’s disability, school personnel may remove a student to an interim alternative educational setting (determined by the child’s IEP team) for up to forty-five (45) school days, if the child:

A) Carries a weapon (see the definition below) to school or has a weapon at school, on school premises, or at a school function under the jurisdiction of the State Educational Agency or a school district;

B) Knowingly has or uses illegal drugs (see the definition below) or sells or solicits the sale of a controlled substance (see the definition below) while at school, on school premises, or at a school function under the jurisdiction of the State Educational Agency or a school district; or,

C) Has inflicted serious bodily injury (see the definition below) upon another person while at school, on school premises, or at a school function under the jurisdiction of the State Educational Agency or a school district.

On the date this is made, the parent must be notified of the decision, and provided the Procedural Safeguards statement.

**Determination of Setting**

The interim alternative educational setting must be determined by the IEP team for removals that are changes of IEP placement or forty-five (45) school day suspensions described under special circumstances.

**Parent Appeal**

If the parent of a child with a disability disagrees with any decision regarding IEP placement, or the manifestation determination under this subsection or the school believes that maintaining the current setting of the child is substantially likely to result in injury to the child or to others, they may request a due process hearing.

**Authority of Hearing Officer**

A qualified hearing officer must conduct the due process hearing and make a decision. The hearing officer may:

A) Return the child with a disability to the IEP placement from which the child was removed if the hearing officer determines that the removal was a violation of the requirements described under the heading Authority of School Personnel, or that the child’s behavior was a manifestation of the child’s disability; or

B) Order a change of IEP placement of the child with a disability to an appropriate interim alternative educational setting for not more than forty-five (45) school days if the hearing officer determines that maintaining the current setting of the child is substantially likely to result in injury to the child or to others.
These hearing procedures may be repeated, if the school district believes that returning the child to the original setting is substantially likely to result in injury to the child or to others.

Placement During Appeals
When the parent or the school has filed a due process complaint related to disciplinary matters, the child must, unless the parent and the State Educational Agency or school district agree otherwise, remain in the interim alternative educational setting pending the decision of the hearing officer, or until the expiration of the time period of removal as provided for and described under the heading Authority of School Personnel, whichever occurs first.

Student Information System – Infinite Campus
Guadalupe Centers uses a student information system called Infinite Campus which provides parents access to the following information through the parent portal: messages from the district, school, and teachers, attendance, grades, schedule, fees, lunch balance, assessment scores, behavior incidents, health, and transportation. Infinite Campus is also used to complete online registration and the free and reduced lunch application each year. Parents can download the app on their cell phones by searching for Infinite Campus. If there are questions or you need assistance, please call your child’s school.

Students On Premises After School
All students must vacate the premises at the end of the school day unless participating in an approved extra-curricular activity, receiving after-school tutoring, or participating in other activities properly scheduled in advance. All students must be under the direct supervision of a staff member. Students should have transportation available within 15 minutes after all student activities and are to wait in the designated area.

Support Services
Counselors/Social Workers: A guidance counselor is available in each school to assist and advise students about academic and personal decisions. School counselors design and deliver school counseling programs that improve student outcomes. Any situation that poses a problem for the student may be discussed with the school counselor. A social worker provides services to students to enhance their emotional well-being and improve their academic performance.

Family and Community Engagement Coordinators: Our family coordinators work to facilitate communication in English and Spanish between school and home by helping parents get the information, support, and help they need to ensure their child’s academic and social success in school.

Guadalupe Centers Family Support Services: The Guadalupe Centers offers a variety of social support and emergency assistance services to clients in English and Spanish through the Family Support Program. Major components of family support programming include emergency assistance, case management and linkage to needed financial services. Other services include utility assistance, rental eviction/mortgage foreclosures assistance, food pantry, personal hygiene products assistance, referrals for health care, referrals for legal assistance, transportation assistance, prescription assistance, and language Interpretation assistance.

Use Of Security Cameras
There are security cameras in use in a number of locations throughout the school buildings. The cameras are intended to be used for supervision and safety purposes by administration. Information obtained via a security camera may also be used for the purpose of discipline proceedings.
Video and Publications Information
Guadalupe Centers Schools is involved with many innovative programs, and we are often asked to share information about our charter school with other groups. As part of the sharing process, we may elect to take video footage or photographs of students.

These images (video footage or photographs) will be used for educational, informational, or promotional purposes. Parents need to specify to the building principal in writing if they would prefer that their child or children not be a part of these groups, which may be videotaped/photographed for educational purposes in the school setting. If you have any questions, please call the school office.

Visitors to the Building
To ensure the safety of all students and staff, everyone should cooperate to make the school a safe place. Due to Covid-19, parents and visitors will be restricted from entering the building unless an appointment has been made beforehand. All visitors with appointments will go through a health screen and temperature check in the front office or designated area and will be required to wear a facemask. All visitors must sign in at the front office and wear a “Visitor’s Badge” and will return the badge before exiting the building.

Withdrawal
Parents of children who are leaving the district or are moving to another school attendance area should notify the school a few days prior to the last day of attendance and complete a withdrawal form which includes the name of the school the student is transferring to. Library materials, texts, technology, instruments, and other school property must be returned before transfer is complete. Parents must also pay any fines or fees owed and pay for books or other equipment that is lost or damaged. Failure to follow these procedures may make it difficult for a student to be enrolled and classified properly in another school. Statute 167.031, RSMo, states that students must regularly attend school until age 17 or they have successfully completed sixteen credits towards a high school diploma.
Dear Aztec Students and Parents,

Welcome to Guadalupe Centers High School (GCHS), home of the Aztecs! Our dedicated staff is excited to welcome you back for the 2021-2022 school year. If you are new to our school, we are excited you have chosen to join the Aztec Family.

Guadalupe Centers High School, formerly known as Alta Vista Charter High School, originally opened its doors as an alternative school in 1989 to meet the needs of the Latinx community in Kansas City. In 1999, Alta Vista High School was granted charter school status and had been sponsored by the University of Central Missouri ever since. Guadalupe Centers High School has since maintained high standards for academic excellence, earning the honor of Missouri’s Charter School of the Year in 2013. In addition to maintaining high academic standards, Guadalupe Centers High School has also experienced recent extracurricular success. Guadalupe Centers High School’s storied history, academic excellence, and extracurricular success make it one of the premier charter schools in Kansas City.

Our commitment is to provide rigorous and engaging academic and cultural experiences so that students are prepared to positively impact their communities. As we begin the 2021-2022 school year, we urge our students and families to maintain a focus on academic excellence while also making it a goal to get involved in our school community through extracurricular activities. This will not only make school more enjoyable, but it is also proven to lead to higher academic achievement, an increased rate of high school graduation, and college attendance.

In addition to our focus on academic and extracurricular success, we are also devoted to the social-emotional well-being of each student. Through an emphasis on restorative practices and building strong relationships, we work to support the emotional and developmental needs of all students. It is our goal that families, students, staff, and administrators work closely together to create an educational environment where all students feel safe and valued.

We’re excited to begin our Real World Learning journey during the 2021-2022 school year. Moving forward, GCHS will offer 3 different academies for students to participate in. We have expanded our Early College Academy where students earn college credit at one of the Metropolitan Community College campuses. Additionally, we are expanding our Career Academy to include Summit Technical Academy and continued partnerships with MindDrive and aSTEAM Village. Lastly, we are embarking on a new journey with our Impact Academy. The Impact Academy will allow students to work on Client Connected Projects during the school day in their own workspace at MCC - Penn Valley. Our goal is for students to graduate with two or more Market Value Assets. A market value asset is defined as one of the following: 9 college credits, an internship (minimum of 60 hours), a Client Connected Project, or a career certificate. We are excited to begin this journey together as we know it will pay dividends for GCHS students!

This handbook will provide you with school-wide practices, procedures, and policies. If you have any questions at all, don’t hesitate to call us at (816) 471-2582. I look forward to working alongside you all throughout this school year.

Sincerely,

Mr. Michael Meaney
Principal, Guadalupe Centers High School

*After School Activities: 4:00 PM - 5:30 PM - M,T,Th,F*

*After School Activities- 1:50pm – 3:55pm*
Trimester Schedule

This 2021-2022 school year we will introduce the trimester schedule to reduces student anxiety through more focused course work, expands credit earning opportunities, and builds more space for RWL experiences.

Our bell schedule will now have five periods on Tuesday, Wednesday and Friday. Monday and Thursdays will have the same schedule with the addition of advisory.

Here is an example of a four years academic plan

SCHOOL-WIDE PRACTICES, PROCEDURES, AND POLICIES

HONOR ROLL

For the student to be eligible for the honor roll, a student must be enrolled in at least five subjects. Honor Roll Grade Point Average (GPA) is based on semester grades. Principal's Honor Roll = 4.0 GPA. “A” Honor Roll = 3.50 to 3.99 GPA. “B” Honor Roll = 3.00 to 3.49 GPA.

INTERVENTIONS FOR FAILING STUDENTS

There are a variety of interventions in place at GCHS, including tutoring/study hall, summer school, and retaking a course.

Tutoring/Study Hall
● Students who need additional assistance will have the opportunity to attend tutoring/study hall each Friday.
● Additional after-school tutoring is available on a weekly basis and will be provided by a content area teacher.
● The hours of tutoring may be completed with an instructor after school on Monday, Tuesday, Thursday, or Friday.

Summer School for Failed Courses
● A student can take a maximum of four courses during the summer for credit recovery.
Regardless of the time it takes to complete credit recovery; students will remain in summer school for the entire session.

**Retaking Courses**
Any student who does not pass a course during the school year will have the opportunity to retake the course during summer school. If the student fails to attend and/or pass the summer school course, the student will retake the course the following year. *Certain courses may not be offered during summer school.

**GRADUATION REQUIREMENTS**
Each student will develop their Individual Career and Academic Plan (ICAP) as a freshman entering GCHS. Students must attain the following credits in order to graduate which meets the state minimum requirements:

- Students who have IEPs, late transfer students from other high schools, and Early College students may be excused from the Foreign Language requirement.
• The total number of credits required for Early College students is 24 due to not being scheduled in classes when being transported between the high school and college campuses.
• According to Board Policy 6451, students may earn credits through experiential learning or testing. All alternative credits must be preapproved and aligned to a student's ICAP

* Health is embedded within Physical Education. Students taking Health as an embedded credit must take 1.5 credits of Physical Education

**STUDENTS PARKING ON SCHOOL GROUNDS**

The interior of a student’s automobile on school premises may be searched if the school authority has reasonable suspicion to believe that the search will turn up evidence that the student has violated or is violating either the law or the rules of the school. Students who park vehicles on school property waive any expectation of privacy they have in the vehicle.

**LOCKERS**

GCHS will assign each student a locker and combination at the beginning of the school year. Lockers are property of the school and are subject to inspection at any time. Students are responsible for any and all items in their locker at any time.

**OFF-CAMPUS COURSE/PROGRAM OFFERINGS**

Manual Career & Technical Center
Manual Tech offers 15 career and technical programs at two sites. The main Campus offers 11 programs, and East Campus offers four. With the successful completion of a designated program, an MCTC student might be eligible for articulated or dual college credit and access to employment placement services. MCTC programs are designed for 12th-grade focused students who have demonstrated interests in career paths that include skill development in MCTC offerings.

Impact Academy
The Impact Academy is named after our district vision statement: Students prepared to positively IMPACT their community. The Impact Academy is purposefully built for students at GCHS to begin to live their impact now. Students at the Impact Academy will participate in a 10-week project of their choice that is sourced from a local business, organization, or community partner. The projects that students participate in the Impact Academy will present students and teachers with challenges that often have no clear solutions. Learning to overcome difficult, ambiguous, or confusing challenges is an essential part of the Impact Academy.

Summit Technology Academy
Provides high school Juniors and Seniors an accelerated academic experience. Working in a college environment, students intensely experience an industry-aligned curriculum meeting both industry and university standards. Pathways offered are Engineering, Health Sciences Arts, Communication, Human Services & Finance Computer Science.

MindDrive
MINDDRIVE is a project-based experiential learning program that serves students from around the Kansas City Metro. Mentoring is a crucial component of our after-school programs, with a student-to-mentor ratio of 2:1. We teach problem-solving, critical thinking, and collaboration through math, science, technology, innovation, and communication, giving our students deep-level experience with real-world applications.

aSTEAM Village
Inspire students and families to pursue education and career pathways in Science, Technology, Engineering, Arts, and Math (STEAM) through community-based project learning and innovative programs.

GRADING
At Guadalupe Centers High School, we will continue to use the Standards-Based Grading (SBG) system. The goal of SBG is to accurately communicate what students know and are able to do in relation to the learning standards we have identified as important in each subject area. Students show mastery of a learning standard when they demonstrate the application of that knowledge or skill over time. Marks on progress and quarterly report cards will no longer show a letter grade but instead show a student’s current level of performance on each prioritized learning standard based on the following four levels: Below Basic, Basic, Proficient, and Advanced. You may be familiar with these as they are the same levels of proficiency that are used on the Missouri state assessments.
<table>
<thead>
<tr>
<th><strong>Advanced: Score 4.0:</strong> In addition to Score 3.0 performance, in-depth inferences and applications that go beyond what was taught.</th>

The goal is for all students to reach Proficient or Advanced levels of performance on each learning standard by the end of each semester. Therefore, each grade report will reflect student progress toward the learning standards. The number of standards reported will vary depending on their individual classes. Teachers will use examples of student work, observations, and various assessments to identify what students know and are able to do. After the end of each semester, students will have their final marks converted to a letter grade for their high school transcript and for GPA calculations.

These regulations stipulate those students who receive more than one F in a semester will be ineligible for participation in sports for the following semester.

Participation

A student who wishes to participate in sports or after-school activities must be in good standing. Students who are not in good academic standing, have committed a serious discipline violation or are on Behavior Contracts, or those who have exceeded six absences are not eligible to participate in sports or after school activities until sufficient progress has been made as determined by the principal or his/her designee. All students, regardless of race, color, sex, ancestry, religion, or disability, are welcome to and encouraged to participate in any athletic program sponsored by GCHS. Participation is voluntary and a privilege, not a right.

- **Physical Exams:** All students must have a physical exam signed by a physician or nurse practitioner prior to the first day of practice. Physicals must be dated on or after February 1 of the previous school year to be current.

- **Insurance:** Students cannot practice or compete for a school until the student provides proof of basic athletic insurance coverage.

IMPORTANT: In the event of injury, GCHS shall not be responsible for the cost of medical attention provided to student-athletes not covered by insurance provided by the parent. Students may be restricted from participation because of failure to provide an acceptable sports physical, poor academic performance, disciplinary consequences, possession and/or use of alcohol, tobacco, and/or drugs, or as otherwise determined by GCHS administration.
Dear Parents/Guardians:

Welcome to Guadalupe Centers Middle School and the 2021-2022 school year! We have been working hard preparing for the new academic year. Please keep your copy of the handbook to use as a guide. As questions arise, many of the answers can be found here.

This handbook contains important policies and regulations. Please review them carefully together. In addition, the handbook cannot include every situation we might face at Guadalupe Centers Middle School. The administration team will address other issues as they arise throughout the school year.

Our goal at Guadalupe Centers Middle School is to address the overall needs of our middle school students. Naturally, academics are the key focus of any school. However, we recognize that the physical, social, emotional, behavioral and cultural needs of our students cannot be ignored as they are undergoing tremendous change in all areas of their lives. We believe that the most effective means to address these issues is through our student-centered approach to education. We want all of our students to feel welcome and to realize that every individual in our school is valued and respected.

Parents, I encourage you to become involved at Guadalupe Centers Middle School! We have room for everyone. We have many opportunities to volunteer at the school. Your participation is vital to the overall success of our students and the school.

We look forward to working with you and your child during the upcoming school year. Help us to develop a positive working relationship between the home and school to provide your child with the best opportunity to be a successful student at Guadalupe Centers Middle School.

We are proud of our students, staff, parents, and the community we serve! The support that our students and the school receive truly reflects the value you place on student learning and achievement. With the continuing support of our parents and the community, Guadalupe Centers Middle School can continue to grow in its effectiveness in meeting the educational needs of our students!

Thank you for your support!

Let’s have a great 2021-22 school year!

7. Should the locker become jammed, please notify your teacher and/or the office.

8. **School personnel may inspect lockers at any given time without notice.** The student is responsible for the contents in their locker.

**INTERVENTIONS FOR FAILING STUDENTS**

There are a variety of interventions in place at GCMS for students who are failing, including tutoring, academic contracts, and mandatory summer school.

**Mandatory Remedial Tutoring**

- Tutoring will be made available for students who are not making academic progress or performing below basic on the MAP test.
- Transportation will be provided for those students staying after school for tutoring.
- Tutoring occurs after school on Tuesdays. A tutoring calendar will be provided for parents at the start of tutoring each school year.

**Academic Contract**

- Students who are **failing more than one** course will be put on an academic contract.
- This contract will be discussed with the student, parents, teacher, counselor, and administrator to determine the appropriate interventions and steps that need to be taken to help this student succeed.
- Students who have an academic contract may not attend non-academic school field trips, participate in sports, or attend extracurricular school functions (such as dances, field trips, etc.).

**Mandatory Summer School**

- Students who **fail any** core subjects (language arts, mathematics, science, and social studies) for the year **will be required to attend Mandatory summer school.**
- This summer school opportunity will be centered on reinforcing concepts and skills taught throughout the school year.
- **Any student that does not attend Mandatory summer school will be placed on the waiting list or lose their placement at GCMS.**

**HOMEWORK COMPLETION**

At GCMS, homework will be given to reinforce a skill learned in class and to help deepen the student’s understanding of content they are learning in class. When homework is assigned, it will be written in the student planner with the expectation being that both the student and the parents will be looking at the planner and completing the work that evening.

*If homework is consistently NOT completed, a parent meeting will be required and academic interventions will be put into place.*

**Absences and Homework**
● It is the student’s responsibility to get all work from teachers for days they have been absent.
● Students absent the day an assignment is given will receive additional time equal to the number of days missed in order to complete the assignment.
● Students absent the day an assignment is due must hand in the assignment at the start of class the next time that they are present.
● Students absent on the day of a test will be given the test on the day they return to school.

Dear Aztec Families,

Congratulations, your child has been selected to attend Guadalupe Centers Elementary School for the 2021-2022 school year! As Principal of Guadalupe Centers Elementary School, I would like to welcome you to the 2021-2022 school year, and can’t wait to greet each of you and your students.

The mission of Guadalupe Centers Elementary School is to create and empower our school by providing rigorous and engaging academic and cultural experiences. In addition, I believe that it is my responsibility, along with the Assistant Principals, Elizabeth Marentes and Jesse Harvey, and our educational staff, to maintain and to continue to create a supportive and collaborative spirit at our school. Together as a community, we will build on the traditions of the past and meet the challenges of the future in impactful and innovative ways to improve student growth.

The past year has brought new and unprecedented challenges to our educational environment as well as to our everyday lives. We are grateful to have students, families, staff and community members that really show our Aztec S.T.R.O.N.G. core values in all that they do. We have shown SERVICE to our community by committing to safe and healthy practices at school and in our personal lives. We have had TRUST in our district and families to make the safest decisions for each of us. We have been RESILIENT in our efforts to learn and grow virtually, in-person, and through all of the ups and downs of the pandemic. We have had the NERVE to face our fears and accept the challenges in our academic and home lives. Finally, we are full of GRATITUDE to be part of a caring community that is committed to our vision of students prepared to positively impact their community, through it all. These core values that have helped us navigate difficult scenarios will continue to guide us as we move forward and work to build a bright future for each and every student at Guadalupe Centers Elementary School. As we transition back into a school setting closer to what we are traditionally used to, we are dedicated to continuing to provide all students with a quality educational experience.

Strong partnerships between school and home will ensure the success of our students and school. We are eager to continue engaging with all of you and work together to help our students achieve success! I encourage you to become involved at Guadalupe Centers Elementary through our wonderful Parent-Teacher Organization. Your involvement and support in your student’s education and school community will enhance the success of your student and our school.

Elementary Pre-K-5 Bell Schedule

7:30-2:35 Monday, Tuesday, Thursday, Friday

7:30-12:29 Wednesday ONLY

Student Arrival

Pre-K  Students are required to be signed in by an authorized adult each morning. Please walk your student to the front doors of the Pre-K building off of Truman Rd. where a school staff member will welcome your child.

Kindergarten and First Grade  students who do not ride the bus should be dropped off at the main Holter building off of Truman Rd. Upper grades siblings are also welcome to be dropped off here and a school staff member will ensure that they get to their appropriate building safely.

Second through Fifth Grade  students who do not ride the bus should be dropped off at the library parking lot off of Van Brunt Dr.

Breakfast  is served before school starts from 7:05-7:25 AM.

All Students are required to come to school with a backpack. K-5 students will receive a Friday folder at the end of each week that needs to be returned the following Monday. Please check this for important information from the school and from your child’s teacher.

Attendance/Absence Reporting

In the event of an emergency or a doctor’s appointment, parents must call the attendance line to report the emergency/doctor’s appointment and the late arrival.
Pre-K: (816) 944-0303
K-5: (816) 702-7428

Dismissal

In order to ensure the safety of students and an efficient dismissal routine we ask for your cooperation with the following procedure. All students who ride the bus, go to after-care, or an after-school activity will be dismissed by their classroom teachers. Authorized individuals (as indicated in our student information system) will need to have their student pick up sign posted in their front dash window (bottom passenger side). Staff will bring parent pick up children out and load them in the car. If there is a change of dismissal and a student will be going home in a different mode of transportation than usual, the parent/guardian must notify the front office no later than 12:00 PM., (10:00 AM on early release days). Any student who is picked up prior to dismissal time at 2:35 will need to be signed out by an authorized individual. An authorized individual should ALWAYS be prepared to show identification when they are picking up a student.
In Pre-K every child must be signed in and out daily by an authorized adult. Any student who is not picked up by 3:00 will be placed in after-care. Parents will be charged a fee for any student who is placed in after-care, regardless of the time they are picked up.

Fees:
1st Time: $5.00
2nd Time: $10.00
More than 2 times: $15.00

Any student in grades K-5 whose parents/guardians are not at the place of residence to receive their student from the bus will be put back on the bus and ride through the middle school and high school routes. Because the middle and high school routes occur immediately after the elementary routes, there is no time to bring undeliverable students back to the elementary school until after the middle and high school routes are completed. If this occurs more than three times, the student will be suspended from the bus indefinitely.

Any student who is brought back to the school due to being undeliverable will be placed in after-care and the parents will be charged a fee.

Fees:
1st Time: $5.00
2nd Time: $10.00
More than 2 times: $15.00

**After School Care**

After school care is available at an additional fee
- Before students can attend after school, the enrollment form must be filled out and turned in to the office
- There will be a set charge ($25) per week regardless of how many days the student attends after school care
- For students who wish to attend after school care only on Wednesday (early release day) there will also be a set charge of $10.00
- The hours are 2:35-6:00 p.m.
- Late charges are $1 per minute per child
- A snack will be provided to each student each afternoon
- Homework assistance is offered
- Rates can change year to year

**Pre-K Curriculum**

Our Pre-K program implements *The Creative Curriculum for Preschool* as the guide for children’s learning and development. Creative Curriculum balances both teacher-directed and child-initiated learning, with an emphasis on responding to children’s learning styles and building on their strengths and interests. Through active learning, young children construct knowledge that helps them make sense of their world.
As children follow their intentions, they engage in creative, ongoing interactions with people, materials, and ideas that promote emotional, cognitive, social, physical and linguistic growth. Children learn from active, intentional, and meaningful play.

Tutoring will take place on Tuesdays and/or Thursday from 2:50-4:20. A late bus will be provided for transportation home.

**Summer School for Students Scoring Below Basic**

Elementary students who score below basic in reading &/or math will be required to attend summer school.

**Homework/Skill Practice (Elementary Policy)**

Students in grades K-5 should read 20 minutes every night. IXL practice online is also highly encouraged, as this platform helps students meet individualized student goals. Additional homework/skill practice may be sent home nightly inside of a homework folder. When homework is assigned, we encourage parents to go through the assignment with their child and check the work.

**Participation in clubs & after-school activities:**

A student who wishes to participate in after school activities must be in good standing. Students who are not in good academic standing, have committed a serious discipline violation or are on Behavior Contracts, or those who have exceeded six absences are not eligible to participate in after school activities until sufficient progress has been made as determined by the principal or his/her designee. All students, regardless of race, color, sex, ancestry, religion or disability are welcome to and encouraged to participate in after school clubs & activities sponsored by Guadalupe Centers Elementary. Participation is voluntary and a privilege, not a right.

**A $5 participation fee will be collected from all students participating in clubs.**

The majority of activities will take place after school on Tuesdays and/or Thursdays from 2:50-4:20. There will be a late bus for clubs. In the event that a club meets on days other than Tuesdays and/or Thursdays, parents will be responsible to pick their child up promptly at 4:20. Failure to pick students up on time may result in dismissal from club/after school activity.
School Bus Discipline
All Guadalupe Centers students are required to follow the school bus rules, which have been established to ensure safe transport to and from school and/or school sponsored activities. A student’s failure to obey these rules puts the bus driver, students and the public at risk of danger and will not be tolerated. If repeated verbal and written warnings, suspensions and other remedies by the bus driver and school officials have no effect on the student’s behavior, students are subject to long-term loss of riding privileges.
In addition to losing school bus riding privileges, students may receive consequences as provided for in other sections of the Code of Student Conduct. During any period in which the transportation privilege is lost due to misconduct of the student, transportation to and from school becomes the sole responsibility of the parents/guardians.

*Students are not permitted to ride home with another student.

Note: Guadalupe Centers will seek restitution from parents/guardians when school buses are damaged by their child’s behavior.

Birthday Celebrations
At GCES, we recognize student birthdays over the intercom each morning. We ask that families celebrate student birthdays outside of the school day & refrain from bringing treats to school.

Parent/Adult Dress Policy
Parents and all adults must be appropriately dressed upon entering the building. Pajamas, low cut revealing dress, or undergarments are all examples of inappropriate dress. Adults are role models for children and should dress accordingly to provide a positive example.

Sunscreen/Chapstick
Sunscreen and chapsticks are over the counter medications. The FDA monitors it and labels it as an over the counter medication. GC Pre-K staff can ONLY apply sunscreen on a child with a doctor’s note. Otherwise, if you would like your child to wear a lip balm, please apply at home before coming to school.

Nap & Rest Time (Pre-K only)
Nap/rest time will be encouraged for all children. If a child does not want to rest on their cot after thirty minutes they will be allowed to get up to play in a quiet area until nap/rest time is over.

Items from Home
Toys from home are not allowed. Should there be a day for “show and tell” the toys should be presented to the appropriate teacher so that they can be labeled with the child’s name. However, children should not bring any toy from home, especially those promoting violence, which are prohibited.
